

Greetings from the West Virginia Falconry Club.

WVFC will be holding its summer picnic and would like to extend an invitation to you:

Date: August 31st, 2019
Location: Jason Caldwell's residence
183 Hawkeye Lane
Berkeley Springs, WV 25411
Time: 11 AM–6 PM; potluck lunch around noon

Our main intent for this gathering is simply to provide a casual venue in which to enjoy time with one another, to swap stories, and to get advice and opinions for the next season.

In addition to the food and fellowship, we'll conduct a business meeting where officers will be appointed & a report will be given on recent recommendations to WVDNR for updates to the current falconry regulations.

Similar to last summer, we'll be having a raffle so don't forget some extra cash for tickets. We have some great prizes donated by several falconry supply stores as well as by individuals. This is a good way to support the club and snag a good deal on something you might need.

Please contact Jason Caldwell to **RSVP by August 21st**. We need to know if you are coming and how many are in your party.

Call: (540)742-1591

Email: jjcaldwell75@gmail.com

We are asking everyone to bring a covered dish for the lunch. Please contact Heather McNemar with food item questions.

Call: (304)439-1145

Email: heather.mcnemar@gmail.com

Please RSVP by August 21st with what you plan to bring so she can coordinate the meal. We don't want multiples of the same food item.

No alcoholic beverages, please. We look forward to seeing you.
